

# St. Aidan's Catholic Academy

## Key Learning Concept for Art Year 7.

Topic	Emerging	Developing	Secure	Mastering
Tone & Form Autumn HT1	Student shows some ability to show form and apply a range of tone to their drawings	Student shows a moderate ability to show form and apply a range of tone to their drawings.	Student shows consistent ability to show form and apply a range of tone to their drawings	Student shows highly developed ability to show form and apply a range of tone to their drawings.
Texture & Observational Drawing Autumn HT2	Student shows some ability to show texture within their drawings through shading and mark making	Student shows moderate ability to show texture within their drawings through shading and mark making	Student shows consistent ability to show texture within their drawings through shading and mark making	Student shows highly developed ability to show texture within their drawings through shading and mark making
Colour wheel, mixing, tinting & shading. Spring HT3	Student shows some ability to understand colour theory and apply their knowledge while mixing, tinting and shading with paint	Student shows moderate ability to understand colour theory and apply their knowledge while mixing, tinting and shading with paint	Student shows consistent ability to understand colour theory and apply their knowledge while mixing, tinting and shading with paint	Student shows highly developed ability to understand colour theory and apply their knowledge while mixing, tinting and shading with paint
Monochromatic Painting & composition Spring HT4	Student shows some ability to demonstrate control while applying paint to a monochromatic painting	Student shows moderate ability to demonstrate control while applying paint to a monochromatic painting	Student shows consistent ability to demonstrate control while applying paint to a monochromatic painting	Student shows highly developed ability to demonstrate control while applying paint to a monochromatic painting
Design process, building & construction, glazing. Summer HT5	Student shows some ability when manipulating clay and applying glazes to their ceramic work	Student shows moderate ability when manipulating clay and applying glazes to their ceramic work	Student shows consistent ability when manipulating clay and applying glazes to their ceramic work	Student shows highly developed ability when manipulating clay and applying glazes to their ceramic work
Artist, cultural research, observational drawing. Summer HT6	Student shows some ability to analyse the work of artists and give their opinion about art works. Some ability demonstrated	Student shows moderate ability to analyse the work of artists and give their opinion about art works. Moderate ability demonstrated while	Student shows consistent ability to analyse the work of artists and give their opinion about art works. Consistent ability demonstrated	Student shows highly developed ability to analyse the work of artists and give their opinion about art works. Highly developed ability

	while developing design ideas	developing design ideas	while developing design ideas	demonstrated while developing design ideas
--	-------------------------------	-------------------------	-------------------------------	--

Half Term	Assessment Tasks
Autumn HT 1	Observational drawings and skills sheets completed over the half term are marked holistically
Autumn HT 2	Observational drawings and skills sheets completed over the half term are marked holistically
Spring HT	Knowledge of the colour wheel and skills sheets completed over the half term are marked holistically
Spring HT 4	Monochromatic Painting and skills sheets completed over the half term are marked holistically
Summer HT 5	Ceramic building and glazing tasks completed over the half term are marked holistically
Summer HT6	Art Analysis and design tasks completed over the half term are marked holistically

Parents /Carers can help their child by:	Practicing basic drawing, shading, colouring and painting skills at home using general household objects to complete observational studies.
Useful websites	BBC Bitesize Art and Design Page - <a href="http://www.bbc.co.uk/education/subjects/z6f3cdm">http://www.bbc.co.uk/education/subjects/z6f3cdm</a> St Aidans Art Department Pinterest Account - <a href="https://uk.pinterest.com/staidans/">https://uk.pinterest.com/staidans/</a>
Revision Sources and Suggested Reading	Use YouTube to watch skills videos and practice techniques such as observational drawing, Portraiture and Painting as well as viewing tutorials on a range of different media such as photography, digital drawing, collage, print making etc. Visit Art Galleries and go to Public Artworks

Who can I contact?	Head of Department	Mrs A Nipper
	Subject Teachers	Mrs K Gray
